HOBBIES

HARD SKILLS

PROFILE

I've got 2+ years of experience in WEB-DESIGN like: designing and maintenance many website and user interface ,Also during those years i've got some of practical experience of ux and seo and programming .

All of that paved my way to be a med Web Designer. Based on that i'm really passionate about all kind of design, every single day i'm reading new articles, studying, practice and looking for getting a high designing skills .

EDUCATION

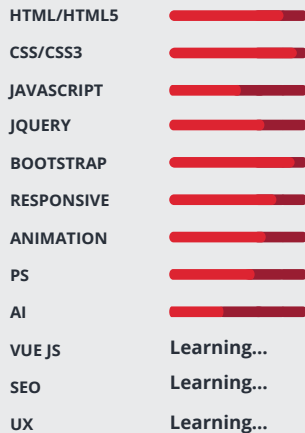

2015- 2013
AL-andalous High Shcool
